

# Aaron F. Newton, D.O.

Fellowship Trained Orthopedic Sports Surgeon

Dr. Aaron F. Newton is a fellowship trained orthopedic sports & shoulder surgeon who joined Saltzer Health in July 2020 from Astria Health in Yakima, WA.

He completed his fellowship in orthopedic surgery-sports medicine at the University of Minnesota, where he received specialized training in arthroscopic knee and shoulder surgery and provided care for professional and college athletes with the Minnesota Twins, Minnesota Wild, University of Minnesota football and wrestling teams.

He completed residency at St. John Providence Health System Macomb-Oakland in Michigan.

## + Philosophy

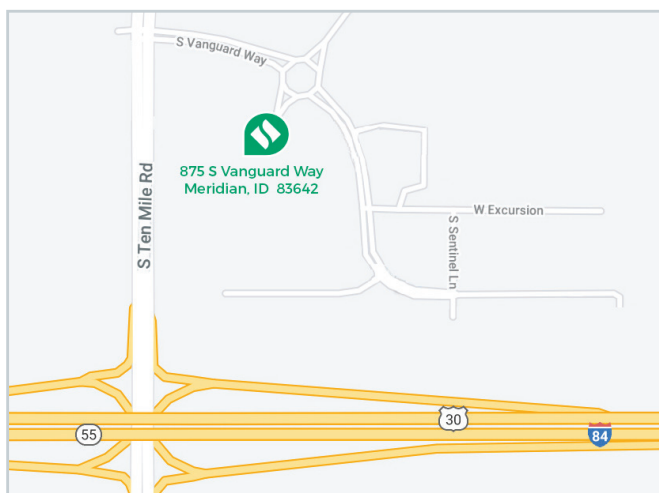

My practice is focused on a team-based approach consisting of myself as an orthopaedic surgeon, physical therapists, and athletic trainers who strive to promote health and physical activity. The human body was designed to be in motion and maintaining motion promotes overall health. Our team assists and educates patients on ways to stay active and avoid injury. When injury occurs, we are there every step of the way to recovery.
