

## W. Daniel Bradley, MD

### Surgery of the Adult Spine

W. Daniel Bradley, M.D., has joined Saltzer Health as an orthopedic spine surgeon at the Ten Mile Medical Campus at Ten Mile & I-84 in Meridian.

Dr. Bradley has been providing spine care in the Treasure Valley for over five years; most recently with Northwest Neurosurgery Associates.

Before moving to Idaho, Bradley practiced for 15 years at The Texas Back Institute in the Dallas/Fort Worth area. He served on the board of governors and as Chief of Staff for North Texas Hospital in Denton, Texas and as Vice Chief of Staff at Forest Park Medical Center in Frisco, Texas.

Dr. Bradley is a Fellow of the American Academy of Orthopedic Surgeons and a Diplomate of the American Board of Orthopedic Surgery specializing in surgery of the spine.

#### Areas of specialty

## + Research

Throughout his career, Dr. Bradley has been an active researcher who has been published in multiple national publications. Locally, he has given presentations about advanced surgical options and related approaches. A past member of the North American Spine Society's Research Fund and Membership Committees, Dr. Bradley speaks around the world on minimally invasive and motion preserving spine surgery techniques. He has been a lead investigator on several research studies to advance the field of spine surgery and actively trains other spine surgeons, nurses, and providers.
