

Amanda Bledsoe, FNP

Family Medicine

Amanda Bledsoe is a family nurse practitioner who sees patients at the South Nampa clinic.

With more than 10 years in healthcare, Amanda is a dedicated and patient-focused provider with proven strengths as an advocate for her patients of all ages.

She provides team-based care in collaboration with Dr. John Freeman and Brianna Cracolice, FNP-C.

Amanda completed her family nurse practitioner training at Saltzer Health and Emergency Medicine of Idaho.

+ Education

Graduate Degree » Northwest Nazarene University, Master of science in nursing with a family nurse practitioner specialty

Bachelor's Degree » Boise State University

+ Professional Philosophy

"As a Family Nurse Practitioner, I strive to maintain a professional working relationship based on trust, respect, and understanding to ensure that patients are comfortable and feel supported in all aspects of their care, including physical, mental, social, and cultural well-being."
